

Features & Benefits

Upnetic provides marketing tools, business consultation, and access to legal services – all included in the HR Pro bundle!

Business Consultation

Have confidence in your decision making by asking any question, any time, and getting unlimited answers from our expert business consultants.

Manage My Minutes

Simplify your corporate governance practices, mitigate legal risks, and stay organized with ease! Streamline the process, making compliance with corporate minutes a breeze.

Website Builder

Build a fully responsive website with pre-made templates, unlimited pages, free SSL certificate, and free hosting.

CRM with Email Marketing

Streamline your sales pipeline, store all of your vital contact data, and create and send beautiful marketing emails through Mailchimp.

Legal Services & Forms

Get connected to a qualified attorney in your area to help your business with legal matters when you need them. Plus access a library of customizable legal forms.

Google Ads by Upnetic

Launch ad campaigns, get free ad management, and increase your sales using Google Ads. Plus enhance your Google Search & Maps with free Google Business Profile optimization services.

Digital Marketing Analyzer

Follow the advice from our web experts to improve your website and digital marketing presence.

Digital Media Dashboard

Make adjustments to your online brand based on real-time data and build your following by engaging followers through social media.

Plus:

- Spanish support and resources
- 1-on-1 coaching sessions
- Business planning tools
